67% Yes
27% No
6% no opinion expressed

“Should a launch fee or annual registration fee be assessed to use public boat launches?”

61% Yes
34% No
5% no opinion expressed

“If the Association had a web site, would you use it to receive information, communicate with the board members, post appropriate messages, etc.?”

58% Yes
33% No
9% no opinion expressed

Considering these results, and how few members have asked to receive hard copy mailings, I am concerned that we are not keeping in touch with a lot of members! If you know of someone who is not receiving hard copies (except the one membership mailing in the spring), please let me know or have the individual(s) contact me.
